

# Introducing Stephen P. Verb, M.D., M.H.S.A., F.A.C.S.

Stephen P. Verb, M.D., M.H.S.A., F.A.C.S., is a specialist in glaucoma disease and surgery. He is a member of the American Glaucoma Society, American Academy of Ophthalmology and is certified by the American Board of Ophthalmology. He is a Fellow of the American College of Surgeons.

Dr. Verb completed an internship in general surgery at Providence Hospital, followed by a residency in ophthalmology at Kresge Eye Institute, affiliated with Wayne State University School of Medicine. In addition, he completed a fellowship in the medical and surgical treatment of glaucoma at Henry Ford Hospital. Dr. Verb is a graduate of the University of Michigan, where he received a Master's of Health Service Administration.

In addition to glaucoma, ophthalmologists at the Ophthalmic Specialists of Michigan treat retinal conditions, macular degeneration and diabetic eye disease. They have extensive experience in cataract and eyelid surgery. A new Outpatient Surgery Center is located next to the Livonia clinic office.
